UP WITH THE ALARM

Lorain Schools

MR. P. C. BUNN

A Message From Mr. Bunn . . .

What connection should our school life have with life after graduation from high school? In the United States people pay taxes to support public schools in order to perpetuate democracy and to make our country a better place in which to live and a better place in which to make a living. That being true, it follows then that our school life should have a very definite purpose—the training for good citizenship. With that end always in view, our activities both within and without the class room should aim to develop those traits of character which will help us to build a finer and better democracy. We can best accomplish this noble purpose by the daily practice of the ideals and principles of good citizenship in our school life as well as in our community life.

The spirit of democracy has always been exemplified in all our school activities. Social, political, economic, and religious prejudices have never had an opportunity to thrive here. We hope that you will carry this fine spirit of democracy with you when you leave school. That spirit will go a long way toward solving many of the problems that perplex our nation today.

Principal of
Lorain High School

MR. C. J. W. LUTTRELL

A Message From Mr. Luttrell . . .

Every school day from 8:30 when the 2100 pupils of Lorain High School arrive until the close of school when they return to their homes, they are busily engaged in guidance programs, assembly programs, class discussions, laboratory demonstrations, library reference work, vocal and instrumental music rehearsals, improvement club meetings, newspaper and yearbook editing, intramural sports, and varsity athletics.

Through this broad and differentiated program of activities, the members of this large school family by means of participation and cooperation, are being trained, so that each may attain his best personal development for his own good and at the same time become a worthy member of the community, state, and nation.

The happiness and security of the individual and the perpetuation of our American democracy depend upon proper training in cooperation, judgment, leadership, citizenship, service, and character through the skillful teaching of correct information, useful skills, right attitudes, and proper appreciations.

Lorain High School is exerting every effort to meet the needs of each pupil and to prepare him to accept the challenge of **true citizenship** in a **great Republic**.

Few students realize the vital importance that the Board of Education plays in our school life. It is the mainstay of our whole school system.

The services of the group include the administration of the financial program of the schools, employment of teachers and other school help, awarding of contracts, provision of books and supplies, proposal of school levies, supervision of school building constructions, prescription of courses and the promotion of school life in general.

Mr. Hartz, Clerk-Treasurer of the board, keeps the financial record of the schools and Mr. Pillans, Business Manager, supervises the physical property of the board, such as buildings, additions, repairs and maintenance of their property.

The board consists of seven members who are elected by the people for a term of three years. Their services are entirely voluntary and they receive no compensation other than appreciation from the community citizens. Those members comprising the board are Dr. S. V. Burley, President; D. W. Lawrence, Vice President; Philip Austin; W. A. Pillans; C. A. Hartz; Walter S. Neilsen, and Joseph A. Svete.

BOARD OF EDUCATION

MISS MARIE KRAMCHAK

From 8 to 4:30 Miss Marie Kramchak performs her work as Secretary to Mr. Luttrell and helps to keep the school a smooth-running institution.

The daily work of a high school secretary may seem routine to those who drop in casually, but the many contacts which are made with boys and girls, and the teachers, as well as with parents and friends of the school, lend a great deal of variety and pleasure to it.

"Marie" has established herself as a definite, vital part of school life during the time she has been here by aiding pupils and teachers in many ways, checking enrollment, keeping records straight and patching up the mishaps that happen to the students during the course of the day.

Miss Kramchak graduated from Lorain High School and obtained her business education at Wilcox Commercial School in Cleveland.

At the present time she is very active as Secretary of the Lorain Institute of Arts and Sciences, and Executive Secretary and Treasurer of the Lorain High School Alumni Association.

MORNING INVOCATION

Fifty-one

Let us pause in our work of the day,
To be grateful, our Father, to Thee;
We must work, we must serve, we must pray,
To deserve all Thy blessings so free.

PLEDGE OF ALLEGIANCE

I pledge allegiance to Lorain High School and to the ideals for which it stands.

I pledge allegiance to my city and to all the movements which make for a better community.

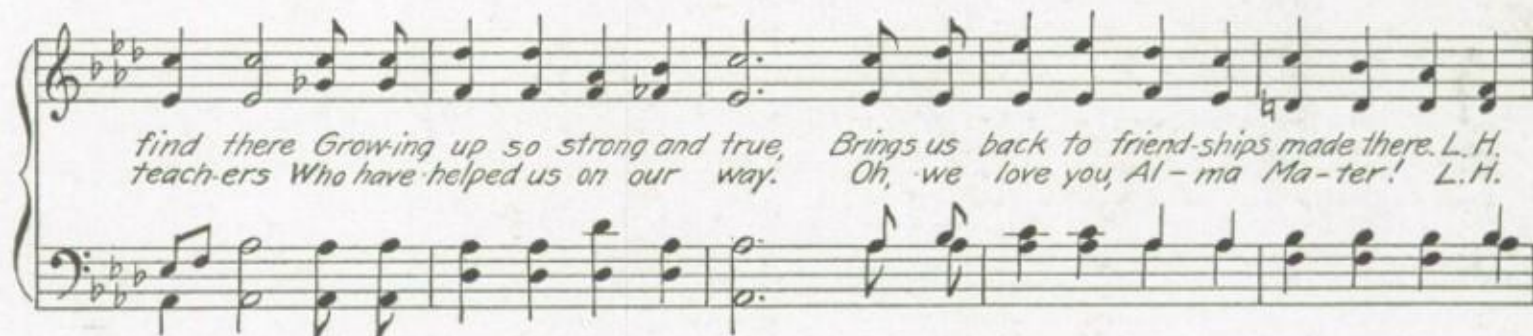

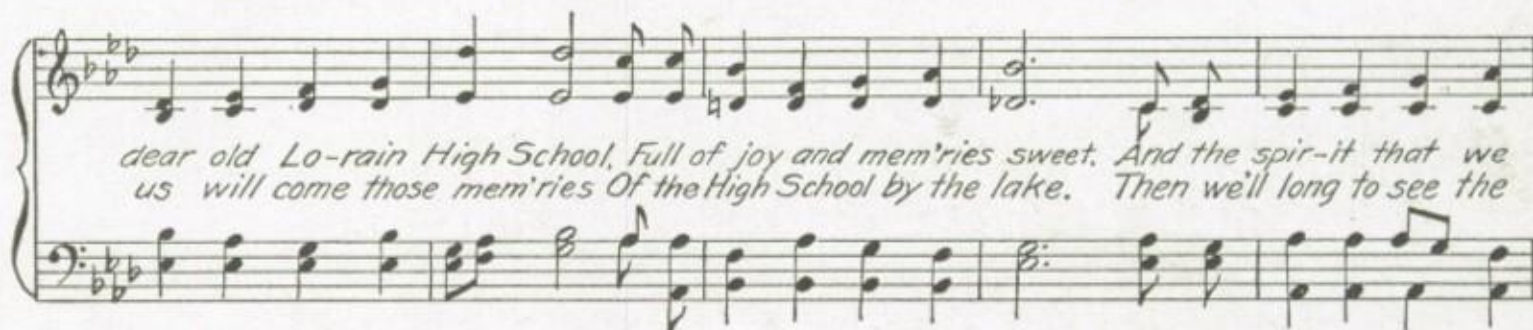

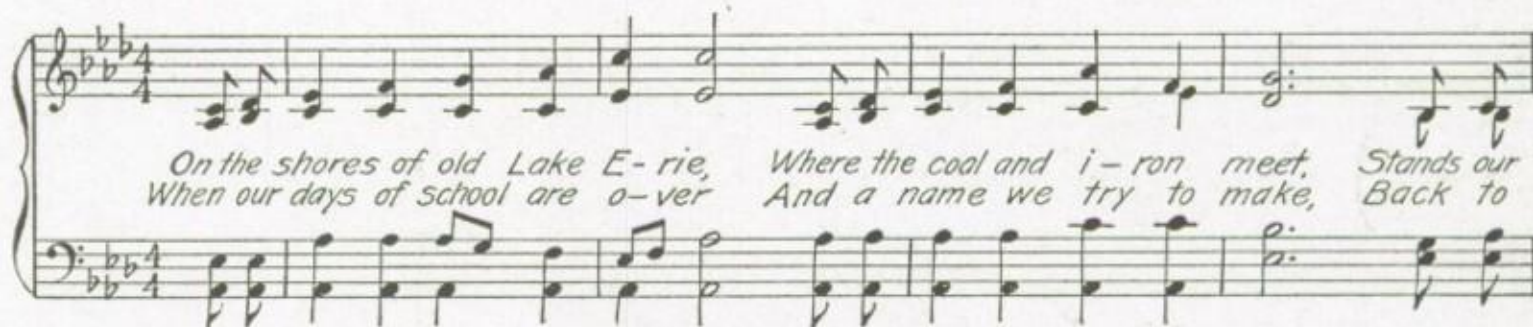

I pledge allegiance to my country and to its flag—the emblem of courage, purity and truth.

LORAIN HIGH SCHOOL BAND

The Blare of Trumpets! The Roar of Drums! Lo!! The Lorain High marching band approaches.

The band, displaying its snappy red, white, and blue uniforms, played at all of the home football games and at several away from home.

Their broad list of activities included, besides their regular playing in assembly programs, pep rallies, and participation in the May Festival on High School Night.

The number in the band is expected to increase due to the large number coming from junior high schools. Mr. Brown is director of this fine musical organization.

STRIKE UP THE BAND

"Strike up the band and swing into action" are familiar words to L. H. S. band members. Under the direction of Mr. Howard Brown, who has built up a fine organization since he came to Lorain, the band has become a very important part of the school curriculum.

In addition to the regular credits given for membership, service credit and letters are awarded to those earning a certain number of points. These points may be earned in various ways, such as, playing at games, helping with the junior band and orchestra, and participating in performances.

At football games the band added much pep and inspiration by their thrilling new formations. Two new songs, with words by members of the faculty, were introduced and were enthusiastically received by the student body.

Since competition for membership is so keen, it is necessary to have frequent tryouts and auditions.

Mr. Howard F. Brown, Director

Pupils at Lorain High School welcome the 8:30 bell on Friday mornings as they hasten to assembly, for that's the signal for Mr. Brown to "strike up the orchestra."

Having received a superior rating in the district contest at Akron, the orchestra was qualified to enter the State contest at Columbus on April 29.

Upon their arrival they played at the Men's Gymnasium on the Ohio State University campus, competing with bands from all parts of the state. They received a rating of "excellent".

On the trip home many of the orchestra members stopped at Delaware, Ohio to dine and visit Ohio Wesleyan College, which was having "High School Day".

The orchestra also participated in the annual May Festival held during the first week of May and won the applause of the thousands in the audience for an excellent performance.

A C A P E

The Lorain High School A Cappella Choir opened its musical season with the presentation of the light opera, "Chimes of Normandy," by Robert Planquette, under the direction of S. Norman Park. This enjoyable performance was followed by the annual program of sacred Christmas music entitled, "The Legend of the Cathedral Choir". The Christmas season was concluded by taking part in the annual Mary Lee Tucker charity program given at midnight on December 16 at the Palace Theater.

"We will not concentrate our efforts on one contest, but we will give many concerts throughout the year," stated Mr. Park at the beginning of this term.

Singing for mid-year commencement exercises, Junior High School Assemblies, Lorain High School Assemblies, and acting as hosts for the annual Lake Erie Music League Festival were important events scheduled on the choir calendar. Appearances were made by the A Cappella Choir at Finney Chapel, Oberlin, Ohio, Baldwin-Wallace Chapel at Berea, Washington High School at Massillon, and the Wooster College Chapel. This is the first year our choir has sung in any of these distinguished places.

The district solo and ensemble contest was held at Fremont and each soloist and ensemble from the Lorain A Cappella Choir received "superior" ratings. This is the best record ever made by a Lorain High School group in a solo and ensemble contest.

S. Norman Park, Director

The Lorain High School A Cappella Choir also has the distinction of being the first and only high school choir to present an original synopsis of a production such as the "Chimes of Normandy," on the radio. The choir was indebted to Mr. Victor Dobras of the high school faculty for writing this radio script. Broadcasts were given from WTAM and WHK in May and June. Probably the most outstanding broadcast was from the stage of the Cleveland Music Hall, Public Auditorium, on May 20 over a coast-to-coast network. This was in connection with the National Radio Script Contest sponsored by WHK.

Each semester many members are lost through graduation, but their places are quickly filled by anxious and talented members of the Junior and Sophomore Choirs. Students consider it a privilege and honor to be a member of this A Cappella Choir in Lorain High School.

OPERETTA

The "Chimes of Normandy," comic opera in three acts by Robert Planquette, was given by the senior chorus as the twenty-first annual operetta.

The story, woven around colorful life in the village of Corneville, France, opens with Gaspard, an old miser (Steve Balogh), wishing to marry his niece, Germaine (Carol Armstrong), to the Bailie (Robert Schmidt). This arrangement is not agreeable to Germaine or Jean Grenicheux (Ralph Heilmann), fisherman who pretends to have rescued her from drowning. To escape the power of Gaspard, Germaine takes advantage of the privileges of the village fair and becomes the servant of the Marquis (Kenneth Buda), as do Serpolette, mischief maker of the village (Mary Lou Nevins) and Grenicheux.

When Henri, the Marquis of Corneville, returns to his ancestral castle he learns that the villagers believe it to be haunted and so determines to uncover the mystery. It is discovered that Gaspard is the cause of the phantoms in the castle and his discovery drives him mad, especially when he hears the bells of the Chateau ringing for the first time since the flight of the old Marquis.

When a grand fete is given in the garden of the Chateau in honor of the return of Henri, Serpolette arrives as a Marchioness, as some papers found in the Chateau indicate that she is the lost heiress. However, the miser has regained his reason and identifies Germaine as the true Marchioness, much to the pleasure of Henri and (they lived happily ever after).

DRAMATIC CLUB

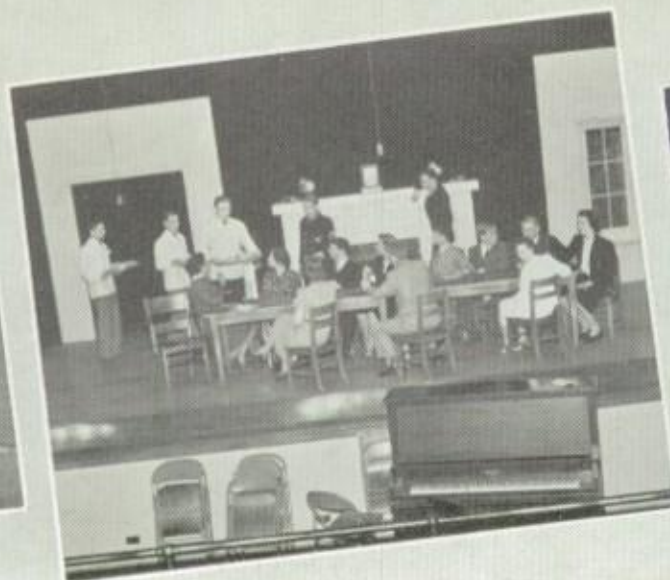

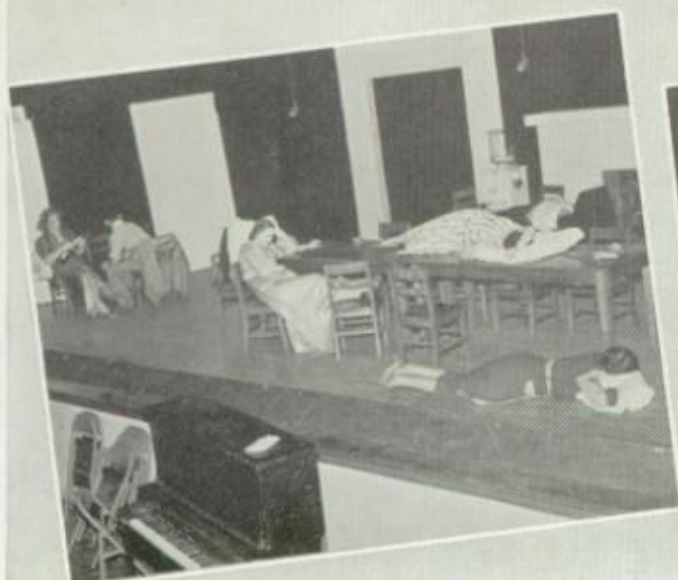

Ladies of the Jury, an amusing satire of a hung jury, in three acts by Fred Ballard, was presented as the twentieth annual dramatic club production on February 15 and 16 in the high school auditorium.

The entire plot of the play is laid about a disputing jury, which is trying Mrs. Gordon (DeV Manwell) for the murder of her husband. At the first report, the jury votes eleven guilty and one not guilty, the lone holdout being Mrs. Crane (Wilma Todd). By many ingenious schemes, such as serving steaks and offering jobs, Mrs. Crane finally swings the whole jury to a not guilty count.

Others playing a stellar role were Harry Bolick as clerk of court, Frank Calabrese as Tony Theodophulus, Iris Rose Davis as Miss Pratt, Betty Dick as Cynthia Tate, Ivan Fisher as Rutherford Dale, defense attorney, Jack Gelman as Judge Fish, Robert Gillmore as Alonzo Beal, Ruth Greenwood as Mayme Mixer, a bold and well seasoned chorus girl, Florence Hudak as Mrs. Dace, Ivor Jones as Andrew McKaig, a Scotch gardener, Gwenda Morgan as Suzanne, Oscar Olson as court officer, Harold Saladin as Hasley Van Styne, prosecuting attorney, Betty Schneider as Mrs. McGuire, Veronica Shuster as Miss Evelyn Elaine Snow, Sanford Slutzker as Steve Bamm, a garage mechanic, Katherine Smith, court reporter, Ray Smith as Dr. Quincy Adams James, Jr., George Sutila as J. J. Pressley, jury foreman, Darwin Weikel as Spencer B. Dazey, an aged, flirtatious realtor.

The play was supervised by Miss Hardy, assisted by Misses Bell, Finly, and Mr. Cook with Miss Oehlke, assisted by Frank Oravec, in charge of make-up.

HI-STANDARD

The Lorain High Standard, a bi-weekly publication issued every other Thursday is gladly awaited by all high school students for it serves as a permanent record of all activities engaged in by the various student organizations. Clubs, feature stories, music columns, scandal column, senior personality sketches and stories of general news value all have their place in the Hi-Standard, every student's newspaper.

The Hi-Standard is entirely a student publication aided by Miss Watson and Miss Bleyer. The staff is responsible for the news-gathering, all write-ups, copy-reading, proof-reading and page make-up. This last year's publications have had several new features, mainly, new sports and music columns and more human-interest stories.

BUSINESS STAFF

Although consisting of only eleven members, the 1939 Hi-Standard-Scimitar business staff performs the important task of taking care of the finances of the two publications, the bi-weekly newspaper, the Hi-Standard, and the year book, the Scimitar. Due to their untiring efforts in collecting, organizing, and assembling advertisements of the various business establishments, the Hi-Standard and the Scimitar are available to the students at the least possible cost.

Mr. Bateman, faculty advisor, reports that, "These folks account for over twelve hundred dollars each year in advertisements. This year's staff deserves special mention for the services they have rendered, not only from me but from the whole student body. The bookkeeping staff, consisting of Jeanette Pape and Lucille Meade, handles about twenty-three hundred notes a year and keeps a record of them. The staff's work is not finished when school is out, for they help collect our bills during the summer. We try to select students of character, pleasant personality, dependability and leadership. This year's staff has lived up to their requirements." Barbara Baker and Robert Gillmore are the business managers this year.

1939 SCIMITAR STAFF

With the passing of the school year and the sound of that final 3:30 bell the Scimitar editorial staff will have completed its work for 1939 yearbook.

When our days of school are over, faint memories will remain. It is our hope that these memories will be revived as you glance through this book now and in the years to come.

Our work has been interesting, enjoyable, at times arduous but we have taken pleasure in observing our book take form. We believe that the finished task resembles the ideal before us throughout the school year. The height of our happiness will be reached if our classmates derive the enjoyment from it that we did in creating it. It has not been a task to be performed but a rare privilege and we are deeply gratified to have been entrusted with the pleasing task of creating a permanent memorial to the class of 1939.

VARSITY FOOTBALL

Seven rough and ready linemen, seven blocks of granite, augmented by a hard driving set of backs finished the football season with Lorain's best record in nine years.

From end to end one of the finest grid machines ever to take the gridiron for the Lavender and Purple the team lost only to Sandusky. The line, composed of Boehler, Thomas, Hartley, Neumann, Chupa, Sykuta and Mathewson turned back enemy thrusts and opened holes for the runners to drive through. The backfield was sparked by Willis who passed and ran in yeoman fashion with the needed aid of Papp, Bulzomi and Wolfe.

The two blots on Lorain's record were the tie with Cleveland Heights and the thumping by Sandusky 19-6. The Sandusky game was a thrilling, hardfought battle contrary to the score. The invaders struck twice in rapid succession to put the Lavenders in a 12-0 deficit at the half. In the last portion of the contest Lorain fought their opponents to a standstill but only in vain.

The final encounter with Elyria, proved the team's caliber. Elyria rated as among the best in the state was handed a 13-12 shellacking which was worse than the score indicates.

1938 LAKE ERIE

RESERVE FOOTBALL

Playing with not quite the success of their elder brethren, the Reserve squad won three and lost two for the '38-'39 season.

Traveling to New London for their first setto, the Lavenders upset the home team 15-6. The locals showed promise with a fast ground attack. Following the first game, the squad lost several good prospects to the varsity; consequently, with a riddled lineup, the combine lost to Amherst, 18-0.

After the terrific setback by Amherst, the squad tangled with Elyria. The contest was tight and cautious and breaks led to the only two touchdowns of the game, which the opposing team won, 7-6. In the second encounter with Elyria the locals showed class in dumping the Crimson 13-0.

The final game at Clearview turned out to be a lopsided victory for Lorain. Easily outclassing the Clippers, the Reserves won, 20-0.

Members of the Reserves who proved valuable next year varsity material and who will bear watching are Norberg, Dellesanti and Crooks in the backfield, and T. Jones, Socha and Gay in the line.

VARSIY BASKETBALL

Splitting the season's schedule with nine wins and nine losses the '38-'39 courtmen went a long way to bringing Lorain out of the basketball doldrums.

With the infectious team spirit catching hold of the school fans the squad played before the largest crowds in the school's history. Nearly one thousand fans watched Elyria defeat Lorain 39-29 in the final game of the first half.

Turning back Amherst in the opening clash 42-28 the combine then won eight of the twelve games in the first half. John Marshall and Shaw defeated the basketeers 24-20 and 41-37 respectively in close contests. Akron North decisively trounced the locals however by a 40-22 score. The win column was speckled with victories over Shaker Heights, Parma, Clearview, Cleveland Heights, Lakewood, Bellevue and Sandusky.

Probably the two standout games of the season came in the first half of the schedule, Lorain against Sandusky and Bellevue. In the Sandusky tilt after four thrilling quarters of rough and tumble basketball the Lavenders eked out a 25-24 victory in a story-book finish.

Sanborn with twenty seconds to go dumped in a pot shot to tie the score. Hacked in mid-air, he was allowed a foul shot and split the meshes for the deciding point. In the Bellevue game, the brilliant teamwork of the Purple baffled the invaders and after several close quarters a 28-24 victory was recorded.

Graduation and injuries riddled the first team for the second half. Berea was Lorain's only victim while the locals were subdued in five league contests.

RESERVE BASKETBALL

"A good offense is a good defense" seemed to be the Reserves' slogan for the '38-'39 basketball campaign.

With a fast clicking combination and tricky plays the younger five piled up point after point to win eleven of their sixteen contests.

In the non-league tilts, Bellevue and Sandusky proved too strong for the locals by scores of 37-28 and 27-23. However, Amherst, John Marshall, Clearview and Berea fell before Lorain's fast attack to round out a fine season for the Reserve department.

In Lake Erie league play the Reserves won seven out of ten. Shaw was the only team to escape the Lavenders' sting as they whipped Lorain twice, 40-31 and 28-18. Shaker Heights was defeated 30-20 and 46-23, while Cleveland Heights was whipped 50-43 and 33-32 along with Lakewood 36-24 and 30-15. Elyria split with the squad 55-20 and 33-39.

GIRLS' SPORTS

The ringing of the bell at 2:45 ends classes for the day but the blowing of the whistle a few moments later in the gym is the "call to action" for over 500 girls who take part in the many girls' sports featured at Lorain High School.

Speed and plenty of action with driving smashes and speedy pickups was displayed during the tennis season, the earlier part of this spring.

After watching the girls play a quarter of basketball while they whirl, turn, pass and "shoot" one can imagine the excitement when Team I composed of Evelyn Shauver, Gloria Gordon, Julia Pakos, Irene Walters, Emilia Fernandez, Anna Knezitic and Ruth Stang emerged as champs this fall and the IIA third period class with Olive Cobb, Madelyn Love, Connie Dropco, Elaine Kalenack, Dorothy Deutschlander, Regina Tanski, Doris Howells, Margaret Ezral, Margaret Revta, Bessie Redden and Agnes Romick were victorious this spring. This was also the first time a freshman team reached the finals.

The girls swing and pitch viciously when the score is close and the "home run queen," Evelyn Shauver, is in the batter's box and Evelyn Weaver pitching. In the finals Captain Evelyn Weaver led Team A composed of Regina Tanski, Mary Wortman, Margaret Revta, Rosemary Austin, Angeline Stanziano, Esther Furci, Ruth Aten, Julia Pakos, and Blanche Levine to the championship.

To those who like something slower but no less enjoyable, the girls' department offers horse-shoes, badminton, shuffleboard, hiking and swimming, for the motto of girls' sports declares "a sport for every sport."

Pictured are, top left, with racquets, Rosemary Austin and Marjorie Gentes. In the circle are Julia Pakos, batting, Isobel Watt, catching, and umpiring, Merry Stolar. The shuffleboard artists in top right are Margaret Revta and Evelyn Shauver. Phyllis Bickel and Agnes Slaus are shown pitching horseshoes.

TRACK

Capturing four dual meets and a second place in the Lake Erie League meet thus far, the track squad has been the most successful cinder team ever produced in Lorain High School.

The Lake Erie League meet was the closest in the history of the league. With strength in the relay events and the place and show marks, the Lakewood squad nosed out the Lavenders $45\frac{1}{2}$ to 40, Lorain's best chance in the thirteen years of desperate fighting for a championship, was again shattered.

Willis captured Lorain's only first with a winning heave in the shotput. However, the squad captured most of their points in seconds and thirds. Epps, Boycik, Boehler, Hintz and Kowalski scored heavy for the locals.

In the dual meets for the newly opened season, Lorain has won four out of six. The first meet with Elyria proved the Lavenders' vast superiority as they smashed the Ely $84\frac{1}{2}$ to $47\frac{1}{2}$. Boycik, Epps and Willis led the point getters. Victories over Bellevue 83-35 and the Oberlin Frosh $69\frac{1}{2}$ to $62\frac{1}{2}$ followed. The meet with the Frosh proved a tough match with the locals' strength in the place and shows telling the tale.

Shaker Heights handed the cindermen their first defeat 63 to 55 as the suburban team scored heavily in all events. The other two meets to date have been with Oberlin High School which Lorain won 85 to 33 and with Sandusky which the "big blue" team won 63 to 55.

Chief point winners have been Boycik $60\frac{1}{2}$, Willis 44, Epps, 42, Chupa $33\frac{1}{2}$, J. Jones $24\frac{1}{2}$, and C. Price, 22.

TENNIS

Stroking and fighting desperately for every match right up to the season's finale, Lorain High netters were barely nosed out of first place by Lakewood for the '38-'39 championship.

With only three lettermen back, inexperience again plagued the team's chances. In less than a week Mr. Bash had to condition the team and pick the starters as rain held off valuable practice sessions.

Finally, with a makeshift lineup and considered as a dark horse, the Steel City team opened against Elyria. Emerging with a 5-0 victory, Coach Bash's proteges showed they were ready for the remaining matches.

Returning to the home courts the Lavenders showed surprising strength in slashing through Cleveland Heights 4-1. Dunlavey and Heimbach lost their only match of the season in a three set thriller in which both sides had several match points.

The big match was then at hand. The squad had to upset Lakewood to gain a probable tie with the Purple team. Pitting all their court wizardry against Lorain, the invaders barely eked out a 3-2 victory to cinch the championship.

With the valiant bid for the toga over and the hardest match past the courtmen breezed through Shaw 5-0 and then licked Shaker Heights 4-1.

Clinton Heimbach and Robert Dunlavey composed the first doubles team and Fulton James and Henry Weber played second doubles. Heilman at third singles, John Weber at second singles and Harold Saladin at first singles rounded out the squad's letter winners.

Other promising men who received experience for next year were Don Sanborn, Eugene Davis and Mike Warhola.

H. WEBER

SALADIN

COACH SMITH SPEAKING . . .

"Intramurals in Lorain High School have made a determined climb in the past few years. As faculty advisor, I feel that the increased interest in our program by the sophomore and freshmen boys has developed our activities nearly two-fold.

In the coming years, I believe this vital part of every boy's school life, will advance to an even greater goal. The time will come when there will be for every boy in the high school at least one interesting sport.

May I take this opportunity to thank all those who cooperated so faithfully this year in helping to establish a bigger and better program."

BOYS' INTRAMURALS

With the addition of tennis, softball and a sport's library to its fold, the intramural program for the 1938-39 year reached a new high in its development, under the guidance of W. A. Smith, faculty advisor.

According to Mr. Smith, the turnout, especially of the underclassmen, for the year was the finest in the past history of the intra-school athletics. The freshmen and sophomores were especially interested in the sport's library, which contained literature on the varied sport fields, and in the fast rising indoor game, table tennis.

The basketball competition again was the keenest of all the scheduled sports. Always a fast game, the cage sport was harder fought and more strenuous than ever before. Quick offensive thrusts, beautiful defensive blocks and well rounded out plays featured the season. Several outstanding court stars were developed that seem certain to become next year's varsity material, according to Mr. Smith.

The volleyball schedule was dominated by one team, the Kokomos. Sweeping through a difficult array of teams this combine spiked its way to the championship with fourteen consecutive victories.

Under the capable direction of student manager, Nelson Faris, the table tennis branch of the program advanced further than any other sport. Many outstanding netters were developed in a short time. Mike Warhola, Don Sanborn, Robert Dunlavey and Bill Bailing were the veterans who held their places in the top rung accompanied by Nelson Faris and William Harlan, two up and coming underclassmen.

Elmer Kircshner managed the softball loop along with the basketball and volleyball. Twelve teams signed up for the spring softball which is now in full swing.

Pictured in number one is the Sluggers team composed of Male, Kishman, Swaim, Mgr. Kirschner, Weider, and Socha. In number two are the championship Kokomos, who include Cairns, More, Trepoy, Rigo, Primosic, and Palagyi. Mr. Smith, faculty advisor, is shown in four, with the Rollers in number five. The team was made up of D'Arazio, DiNicola, Leitenberger, Breckenridge, Glover, Camera, and Roll. In number six are the Canniballs: Sirak, Ilcisko, Talpas, Russo, Matotek, and Ksenich. Number five is a common after-school scene in the cafeteria. The volleyball champions, the Elites, are in photo number seven, and include Price, Bond, Jones, Perry and Epps. This school offers to high school and college graduates and others, a specialized training which prepares them for service and opportunity in business.

They usually enroll shortly after graduation. There is no long period of idleness, no loss of earning capacity, no drifting into futureless employment.

Our Placement Bureau has long had an outstanding record for assisting graduates in securing highly desirable positions.

SUMMER TERM BEGINS JUNE 12. Those who begin with the summer term are ready for employment earlier than those who wait until fall, they earn extra salary, they are ready for employment when the demand is usually greatest.

FALL TERM BEGINS SEPTEMBER 5 and 6. Day and Night School all year.
